Download Instructions for Zip Files

(You may want to print these instructions.)

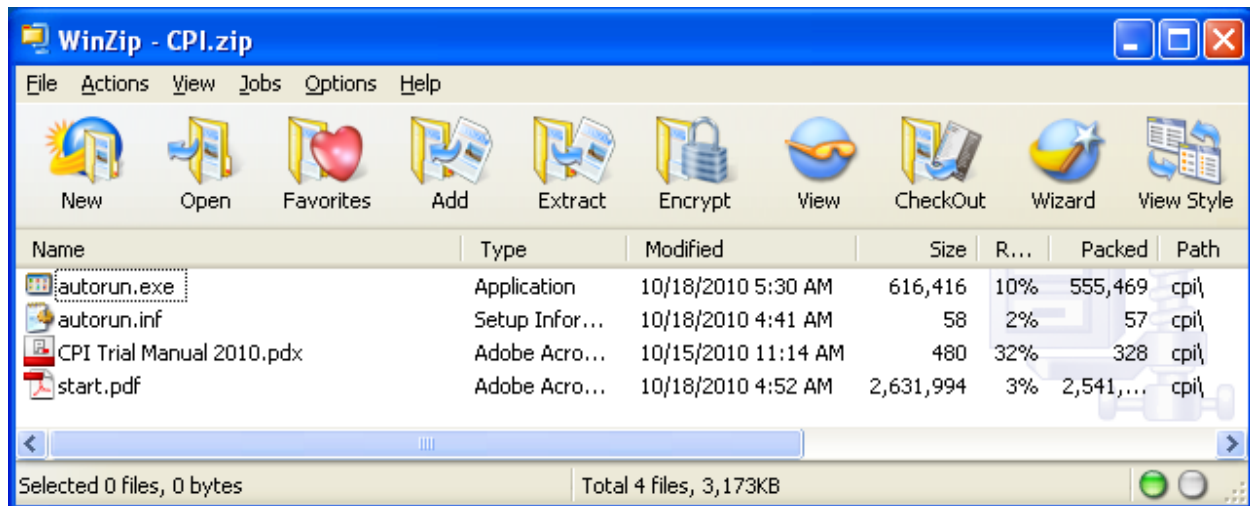

1. When you click the download link, you will be asked if you want to open this file or save it to your computer. Select **Save**.

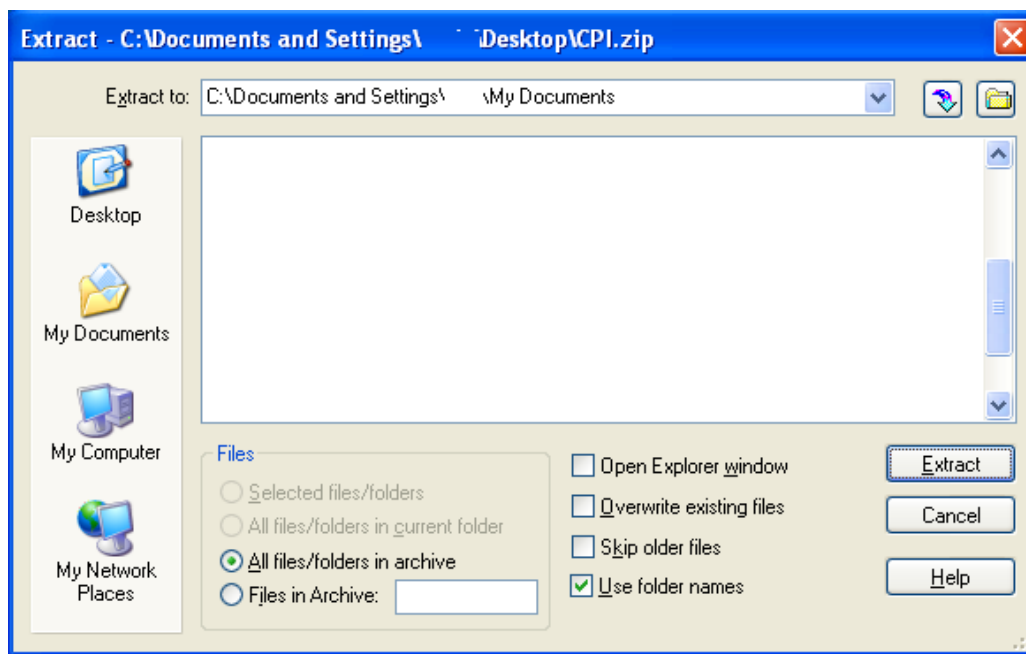

2. The Save As dialog box opens. Select your desktop or location of your choice, and then select **Save**. After the download is complete, close the dialog box.

3. Locate the Zip file you saved and double-click it.
4. In the dialog box that opens, click the **Extract** button.

5. Select the location where you want to save the file, and then left-click the **Extract** button. This will create a file folder with all the files you need to view the materials.

6. Close the WinZip dialog box.
7. Double-click the newly created file folder (CPI) to view its contents. In the list of files, double-click the file named **Start.pdf**. This will launch the manual index.
