Juvenile Panel Trainings 2009

Juvenile Detention Alternatives Initiative

Wednesday, October 7th, 2009 from 12:30 – 2pm
Superior Court, Board of Judges Conference Room

The Criminal Justice Coordinating Council will host a session on JDAI (Juvenile Detention Alternatives Initiative) for attorneys on the Family Court juvenile panel. The Initiative's overarching goal is to provide young people the opportunity to participate in Alternative programs, in lieu of detention. Attorneys will be provided with up-to-date information about pre-trial and pre-disposition community based programs for youth in the delinquency system.

No registration is necessary.

CLE credit will be available for juvenile panel attorneys.

Please contact Stephanie Harrison (SHarrison@pdsdc.org) for more information.
